INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Upper Peninsula Catholic Foundation, Inc.  
Marquette, Michigan

**Report on Financial Statements**

We have audited the accompanying financial statements of the Upper Peninsula Catholic Foundation, Inc., a nonprofit organization, which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors  
Upper Peninsula Catholic Foundation, Inc.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Upper Peninsula Catholic Foundation, Inc., as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## NOTES TO FINANCIAL STATEMENTS

### UPPER PENINSULA CATHOLIC FOUNDATION, INC.

#### NOTE A--NATURE OF OPERATIONS

The Upper Peninsula Catholic Foundation, Inc. (Foundation), is a nonprofit corporation established to act as a repository to maintain and pool existing endowed funds, as well as to provide opportunities to create new endowed funds throughout the Roman Catholic Diocese of Marquette (Diocese) exclusively for such religious, charitable, and educational purposes as permitted for organizations defined in Section 501(c)(3) of the Internal Revenue Code.

The Foundation is a public juridic person under the jurisdiction of the Diocesan Bishop, and it receives administrative services and operating support from the Diocese.

The accompanying financial statements include only funds for the Foundation, are not intended to, and do not, reflect the activities of the Diocese as a whole.

#### NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting.

##### Financial Statement Presentation

The Foundation reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Descriptions of the asset classes are as follows:

Net Assets Without Donor Restrictions--Net assets that are not subject to, or are no longer subject to, donor-imposed stipulations. The Board of Directors may designate, from net assets without donor restrictions, funds for specific use.

Net Assets With Donor Restrictions--Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

## NOTES TO FINANCIAL STATEMENTS--Continued

### UPPER PENINSULA CATHOLIC FOUNDATION, INC.

#### NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of donor restrictions on the net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

#### Cash

For financial statement purposes, the Foundation considers all cash in demand deposit accounts and cash in savings accounts to be classified as cash.

#### Investments

The majority of the Foundation's investments are deposited with the Michigan Catholic Conference's National Catholic Investment Pool along with the investments of other dioceses, parishes, schools, and institutions. Participation in the investment pool is valued at the fair value of the underlying securities on a pro-rata basis. The Foundation is credited or charged for its pro-rata share of all income, gains, losses, and expenses. Information on individual pool transactions is not available and, therefore, the statement of cash flows does not present proceeds on the sale or cash used to purchase specific securities. Only the net additions to, or withdrawals from, the pool are reported on the statement.

Donor-restricted investment income and unrealized gains or losses are reported as increases or decreases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

#### Contributions

All pledges receivable and amounts received that are donor-restricted for future periods or donor-restricted for specific purposes are reported as net assets with donor restrictions. Net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restrictions when the donor-stipulated time restriction ends or the purpose restriction is accomplished by the Foundation. All gifts granted to the Foundation are recorded at fair value at the time of receipt.

Unconditional promises to give are recognized as receivables and as revenue in the period in which the Foundation is notified by the donor of his or her commitment to make a contribution. The Foundation uses the allowance method to estimate uncollectible pledges receivable based on management's analysis of specific pledges outstanding.

## NOTES TO FINANCIAL STATEMENTS--Continued

### UPPER PENINSULA CATHOLIC FOUNDATION, INC.

#### NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Donated services are recognized as revenues at their estimated fair value only when they create or enhance nonfinancial assets or they require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if they were not donated. No such amounts have been recognized in the statements of activities because the criteria for recognition have not been satisfied.

#### Grants

The Foundation communicates its intent to support various organizations of the Diocese with estimated grants. Management does not consider this intent to support, or the communication of this intent to support, to be an unconditional promise to give. The Foundation grants are recorded in the year in which the grants are distributed.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Functional Allocation of Expenses

Expenses have been allocated between program services and supporting services (management and general and fundraising). Expenses that can be identified with program or supporting services are charged directly to the program or supporting service benefited. Other expenses which apply to more than one functional category have been allocated on various bases, as determined by management.

#### Income Taxes

In a determination letter dated March 25, 1946, and updated annually since that time, the Internal Revenue Service has ruled that all organizations listed in The Official Catholic Directory (OCD) are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Upper Peninsula Catholic Foundation, Inc., is listed in the 2020 edition of the OCD and, therefore, is exempt from federal income taxes. A determination letter issued December 11, 1970, also affirmed the non-private foundation status of organizations listed in the OCD.

Subsequent Events

Subsequent events were evaluated through September 17, 2020, which was the date the financial statements were available to be issued.

Reclassifications

Certain reclassifications have been made to the prior year financial statements in order for them to be in conformity with the current year presentation.

New Accounting Pronouncement

During the year ended June 30, 2020, the Foundation adopted ASU 2018-08, Not-For-Profit Entities (Topic 958): *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. This update was issued to clarify and improve the scope and the accounting guidance for contributions received and contributions made. The update establishes standards for characterizing grants and similar contracts with resource providers including (1) evaluating whether these transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958 or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional.

On July 1, 2019, the Foundation adopted ASU 2018-08 using the modified prospective basis.

The implementation of ASU 2018-08 did not have an effect on the Foundation financial position, results of operations, or cash flows. The 2019 financial statements have not been restated and there was no cumulative-effect adjustment to net assets at July 1, 2019.

NOTE C--LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use within one year of June 30, 2020 and 2019, comprise of the following:

	<u>2020</u>	<u>2019</u>
Cash	\$ 69,715	\$ 102,477
Investments	13,661,678	13,291,524
Pledges receivable, net, collected in less than one year	<u>26,159</u>	<u>21,775</u>
Total financial assets, excluding noncurrent receivables	<u>13,757,552</u>	<u>13,415,776</u>
Less amounts unavailable for general expenditures due to:		
Donor-imposed restrictions:		
Cash	(40,315)	(93,438)
Investments	(13,659,497)	(13,289,789)
Pledges receivable, net, collected in less than one year	<u>(26,159)</u>	<u>(21,775)</u>
Financial assets available to meet cash needs for general expenditures within one year	<u><u>\$ 31,581</u></u>	<u><u>\$ 10,774</u></u>

The Foundation charges an administrative fee of 0.75% to all funds based on a weighted average of the December 31 invested asset balance. Administrative fees are charged to each fund. Administrative fee income (general fund) and administrative fee expense (other funds) is netted in the presentation of the statement of activities. Estimated administrative fees available for general expenditures during the year ending June 30, 2021, are \$80,451.

The Foundation's Spending Policy Sub-Committee makes recommendations to the Board of Directors annually regarding annual spending from the endowment funds. For the year ending June 30, 2021, the spending allocation will be 4.5%. Estimated grant expenditures during the year ending June 30, 2021, are \$478,115, which will be funded by withdrawals from the investment pool in accordance with the approved spending policy.

NOTE E--FAIR VALUE MEASUREMENTS

Generally accepted accounting principles in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to observable inputs (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2: Inputs consist of observable inputs other than quoted prices for identical assets.

Level 3: Inputs consist of unobservable inputs and have the lowest priority.

The Foundation uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

NOTE F--PLEDGES RECEIVABLE

Pledges receivable represent amounts due from donors for multi-year unconditional pledges. Payments on the pledges are expected to be received as follows:

	June 30	
	2020	2019
Receivable in less than one year	\$ 26,159	\$ 21,775
Receivable in one to five years	10,000	20,000
TOTAL PLEDGES RECEIVABLE	<u>\$ 36,159</u>	<u>\$ 41,775</u>

The Foundation has not recorded a present value discount, as it is not material to these financial statements. The Foundation has evaluated pledges receivable and does not believe an allowance for uncollectible pledges is needed.

NOTE G--ENDOWMENTS

The Foundation's endowment consists of 29 individual funds established for a variety of purposes, including donor-restricted endowment funds. The majority of the endowment funds of the Foundation have been invested together in the Michigan Catholic Conference's National Catholic Investment Pool (Note D).

Interpretation of Relevant Law

The Board of Directors of the Foundation have interpreted Michigan's version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as net assets with donor restrictions (a) the original value of gifts to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the applicable donor gift instrument, if applicable.

The remaining portion of the donor-restricted endowment fund that is not classified in the permanent endowment is available for appropriation for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the endowment fund
- The purposes of the Foundation and the donor-restricted endowment fund
- General economic factors
- The possible effect of inflation or deflation
- The expected total return from income and appreciation of investments
- Other resources of the Foundation
- The investment policies of the Foundation

#### NOTE G--ENDOWMENTS--Continued

##### Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the value of the original and subsequent donor gift amounts. Deficiencies are the result of unfavorable market fluctuations that occur shortly after the investment of new contributions for donor-restricted endowment funds and continued appropriations for certain programs that are deemed prudent by the Foundation. The Foundation maintains policies that permit spending from underwater endowment funds, depending on the degree to which the fund is underwater, unless otherwise precluded by donor intent or relevant laws and regulations.

The aggregate amount of funds that had fallen below their original gift value was \$-0- at June 30, 2020 and 2019.

##### Return Objectives and Risk Parameters

The Foundation has adopted an investment policy for endowment assets. The investment objectives are to preserve capital, to achieve long-term growth of assets without undue exposure to risk through prudent diversification measures, and to achieve and maintain total asset levels that meet the needs of the participants. The Board of Directors uses the services of a third party to select investment managers and evaluate performance objectives. A specific investment benchmark index for evaluation is determined for all investment managers hired by the third party and used to evaluate the manager's performance on a one-, three-, and five-year time horizon each quarter.

##### Strategies Employed for Achieving Objectives

To address its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term objectives within prudent risk constraints.

##### Spending Policy and How the Investment Objectives Relate to Spending Policy

The Foundation's Spending Policy Sub-Committee makes recommendations to the Board of Directors annually regarding annual spending from the endowment funds. For the years ended June 30, 2020 and 2019, the spending allocation was 4.5%. The goal of such a spending policy is to allow the endowment to maintain its purchasing power, to achieve a reasonable degree of stability and predictability in income availability for operations, and to achieve a balance between present and future needs.

## NOTES TO FINANCIAL STATEMENTS--Continued

### UPPER PENINSULA CATHOLIC FOUNDATION, INC.

#### NOTE H--RELATED-PARTY TRANSACTIONS

Employees of the Diocese provide administrative and other support services to the Foundation. The Diocese bills the Foundation for these services, as well as occupancy and software costs. The amounts billed to the Foundation totaled \$48,500 and \$46,500 for the years ended June 30, 2020 and 2019, respectively. These amounts have been reported as a component of management and general and fundraising expenses in the accompanying statements of activities.

#### NOTE I--RISK FACTORS

In March 2020, the COVID-19 virus was declared a global pandemic, as it continued to spread rapidly. In response to the COVID-19 pandemic, the Governor of Michigan enacted the "Stay Home, Stay Safe" Executive Order, directing all Michigan businesses and operations to temporarily suspend in-person operations that are not necessary to sustain or protect life. Foundation management is carefully monitoring the situation and evaluating its options during this time. Future potential impacts to the Foundation may include decreases in support and revenue, as well as realized and unrealized losses in investments. Any potential impact to Foundation future operations and financial condition is unknown at this time. No adjustments have been made to these financial statements as a result of this uncertainty.
